

Computers & Technology

Do you know your way around a computer? Do you have experience with data entry or specific programs? Share your computer or design skills with those who need it most. Many organizations have computer-based projects and programs that can use your skills!

AREA 10 AGENCY ON AGING

7500 W. Reeves Rd. 47404

876-3383

www.area10.bloomington.in.us

Volunteer Contact: Caroline Clay

Minimum Age: 18

Email: cclay@area10.bloomington.in.us

Celebrates the human potential and provides services to assure the independence, health and dignity of older residents. Services include in-home services for frail elderly, hot lunches, a food pantry for the elderly, information and assistance, caregiver support, older worker employment, transportation, fitness and recreational programs, long-term care ombudsman.

* Located in Ellettsville, Area 10 is looking for people to help senior citizens learn to use computers (Windows, the Internet and email) for 2 hours each week. Volunteers are also needed to organize, package and deliver food to elderly and disabled people, and to visit them in nursing homes.

HABITAT FOR HUMANITY OF MONROE COUNTY

PO Box 1441 47402

331-4069

www.monroecountyhabitat.org

Volunteer Contact: Sean Price

Minimum Age: 14/16 on worksite

Email: volunteers@monroecountyhabitat.org

Builds simple, decent homes in partnership with low-income families in need using volunteer labor and materials to keep home ownership affordable.

* Volunteer food providers donate a lunch item, dessert or snack to construction volunteers on a one-time basis or longer if preferred. Teens with computer skills are needed to work in the office, greet the public in the front office and help in diverse areas in an upbeat atmosphere with people of different ages and interests. Learn construction skills by working on a team to help build homes on Wednesdays, Thursdays or Saturdays. All

abilities and skill levels are welcome. Complete training and support are provided. For most construction, volunteers must be 16.

SENIOR CYBERNET

349 S. Walnut St. 47401

349-3745

www.seniorcybernet.org

Volunteer Contact: Jean Umiker-Sebeok

Minimum Age: 12

Email: jean.sebeok@gmail.com

Provides low-cost computer training and help for older adults through small classes, tutoring and home assistance.

* Be a Computer Tutor and instruct and assist individual older adults in a variety of basic computer skills depending on experience. Flexible scheduling of 2-hour blocks of time. Also seeking a creative person to produce event announcements and programs, develop brochures and flyers. Good communication skills, knowledge of e-mail and word processing. A 1-year commitment is requested.
